Organisation Study Report on Star PVC pipes & fittings Internship 2011 Findings: Star Plastics is the number one PVC pipe fitting manufacturer in south India and it has received the best ISI mark for quality. Their products are basically categorized as STAR Drainage fittings BS 4514 STAR Pressure Fittings BS4344 STAR Pressure Fittings STAR SWR Fittings STAR Flex section & Delivery Hose STAR Solvent cement STAR PVC pipes h)Production centers: STAR plastics Mullakkara, Thrissur STAR plastics, the parent company of the group was the incorporated in 1983, and within these 24 years it has grown up as one of the largest PVC fittingsmanufacturing companies in India and its products are approved by ISI authorities. The marketing and sales Ramaiah Institute of Management Studies21SBS Swiss Business School 22. In the present scenario with the cut throat competition, cost reduction is practiced in every sphere of the business and purchase is one of the important functions where cost can be highly controlled. 3.7 Systems Department STAR started the computerization of its department¢ÃÂÂs way back. In August 2001, star became the first PVC fittings manufacture in south India to receive the ISO 9002 certification. The important objectives of marketing are briefly explained below: 1. He should know marketing concepts product mix, promotion mix, price mix, distribution mix etc. Monthly returns are prepared by the accounts department. The aim of sales forces promotion is to make the sales men¢ÃÂÂs effort most effective. Achieve high quality standards and build capacities in various facts of the booming plastic industry. With the globalization of Indian economy and television in homes and smaller villages and the demand for communications of materials for proper functional use more economical packaging, durable all weather products has meant a growing demand for plastics. Mode of announcement: 1. Another main function of the accounts department is the payment of taxes. Lack of access to major distribution channels (not focusing on the rural areas of southern India, where there are many business

opportunities in the agricultural sector. Star Plastic consists of materials for plumbing equipment such as PVC pipes, fittings, SWR fittings and PVC adhesive. Proper storage is essential for controlling material costs. The head office of Thrissur has three servers and forty nodes that run the application. The development of PVC pipes and all kinds of small plastic accessories and equipment around the world is through the use of organochlorine called Vinyl Chloride Poly (PVC). During the organizational survey conducted at Star Plastics, Kerala, the information collected regarding its competitors, products, the bargaining power of customers and suppliers and Ramaiah Institute of Management Studies34SBS Swiss Business School 35. It is called by different names such as production engineer, plant engineer, operations engineer, etc. Functions of the marketing department at Star Plastics: The main functions are explained below: 1. The company increased its production capacity by more than 50% in just two years by incurring huge additional investments. Other functions include financial forecasting and planning, fundraising, investment decision making, revenue management, cash management, borrowing policy decision, negotiations for new financing, analysis and financial planning. the evaluation of the financial management, advice to senior management³ coordination ³ control, assistance in valuation decisions ³ tax administration and tax ³. Â Management ³ the financial structure of Â company Â . During the 1930s , German experiments with various stabilizers and softeners To the first usable forms of PVC. Star Plastics has seven functional departments and is the leader in Pipcas and Accessories of PVC in South India. STUDY REPORT OF THE ORGANIZATION STAR PVC PIPES & Update Pransamienta 2011 Star Group has been constantly developed in a professionally managed company comprising the 8 of the manufacturing unit in 3 production centers with the total installed capacity of 3850 meters By annual-8Divisions and centralization support services completely dedicated to the most existing quality standards and customer services, constantly motivated by the need to guarantee the total satisfactory product. PROMOTION: In the promotion of STAR plastic it is carried out in the case of the sale of products, in the case of banks, and in the case of the Force of Sale. Ã¯æ ~ anticipating the problems of labor projecting current resources in the future and comparing them with the prognosis of the requirement, to determine its adaptation, both quantitative and qualitatively. The competitors are also using the same technology. He will motivate the entire unit as a whole. Premium prices: Ramaiah Institute of administration studies C12SBS Swiss Business School 26. Tensions in recent years are really unusual throughout the history of China-India's links, so this could reflect an intention of the high authorities Indias to improve the atmosphere on the border. All functions are carried out in consultation with the Production Manager and the General Manager. EUROTECH Office in Kerala: Thrissur Road, Chagarakulam and Kerala. 3. Already serving the world market, A-One Polymer plans to expand more its production capacity in 150mt / month to strengthen its export market in 2013. The setting of stars is leader in name accessories over all states . Porter of Harvard. School in 1979. Unless the entry of new companies can be blocked by the incumbents, the abnormal profit rate will tend towards zero (perfect competition). Each production center has its own shop. Organization Organization PRODUCTION MANAGER FACTORY MANAGER ASST. In the case of logistics the supply of products is done through company owned feet of vehicles. Suppliers do have power. Afterwards more organizations came into the plastic manufacturing industry and so that the competition also becomes huge. All the products are of International standard. Products accepted all over the world for its quality. Organisation Study Report on Star PVC pipes & fittings Internship 2011 ¯ÂÂ¼Â Provider of basic requirement of all PVC related fittings, pipes, and allied products. There are large untapped opportunities in Government sector(E.g. Government is giving subsidies to the farmers for buying agriculture equipment¢ÂÂÂs). Ramaiah Institute of Management Studies29SBS Swiss Business School 30. HYCOUNT PIPE - One of the brand PVC pipes in the country and the market in Kerala in its kind with an installed capacity over 12,000 Metric tons per annum produced at different locations in Kerala. Market share analysis is also used for marketing control. If it is easy for customers to move to substitute products for example from coke to water then again rivalry will be high. STAR plastics have suppliers all over South India. ¯ÂÂÂ Roger. Since the customers with low income are able to purchase it. In the case of new product: Following pricing strategy followed in the case of new products: 1. Moyalan HDPE -PVC Pipes, Market Rd, PB-76, Ollur P O, Thrissur. Costume made ERP software was developed for its units and head office. Store is divided into three: Ramaiah Institute of Management Studies31SBS Swiss Business School 32. ¯ÂÂÂ Assigning targets to each store manager and as such rewarding then with attractive prizes. The research and development team of STAR group is engrossed in developing new product for the international markets. Each and every aspect of the business can be checked from the corporate office.At present company is able to later about 10% of the requirements. Ramaiah Institute of Management Studies50SBS Swiss Business School The organization of its manufacturing operations is based on the product division in two groups of products in which they are similar in technology or manufacturing process. Âf System â € ~ Evaluation of employees. Some of the common price strategies followed by Star Plastics are: 1. A.compra The production department, usually the manager of the factory informs the purchase department about the requirements of the materials. In August 2001, Star became the first manufacturer of PVC accessories in South India to receive ISO 9002 certification. A small quantity can be deduced from the salary once. In the case of Star, sales and promotion of the brand are carried out by providing information on products through advertising, demonstrations, organizational shows, etc. A central manager directs the corporate function. Usually, after a minor conflict, the officers in charge of the two sides met at 8:30 am of the next morning and drank a bit of TÃ ©, Lin said. The Star Group of Companies is the largest plastic industry in the private sector throughout the years, the STAR Group has been constantly developed at a Ramaiah Institute for Management Studies39SBS School of Swiss Business 40. Ramaiah Institute of Studies of management15SBS School of Swiss business 16. The five forces are 1. Production is carried out in six production centers located in different places. Once the budget has been established it could be reduced followed by Poly is 3-5% net profit. Organization Study Report on Star PVC Pipes & Fittings Innernship 2011 Structure of the Organization: Human Resources Supervisory Operational Media GestiÃ "N GestiÃ" N GestiÃ "N Board of Directors Senior Supervisors Workers JEFE ACCOUNTOR JEFES OF DIVISION WORKERS INTERMEDIATE SEMI QUALIFICATED FINANCIAL SUPERVISORS SECTION JEFES OF WORKING SECTION WORKING HOURS IN STAR: Office hours from 9 a.m. to 5.30 a.m. 5.30 a.m. At that time all transactions and the official function of that day are ³ completed. PVC, Dichloro diphenyl trichloroethane (DDT) and chlorine fluorocarbons (CFCs) are all products of the post-war boom in the chlorine industry. Ramaiah Institute of Management Studies36SBS Swiss Business School 37. Real and clear product image. The plant is configured in the design of the process. The marketing manager must be tactful. ORGANIZATIONAL STUDY REPORT STAR PVC PIPES & ARTÃ CULOS PRANSAMIENTA 2011 Chapter III Functional Departments 3.1 Department of Finance Ramaiah Institute of Management StudiesÂ n17sbs Swiss Business School 18. In addition to the ERP system, Star had also implemented a unique e³messenger solution with its ³ organization, which focuses on ³ organization. The website of the company. Try post-key products. Ã¯AE ~ makes use of modern production techniques ³ meet demands primarily with the help of POP." The company will make a system of centralization ³ the software network that the progress of work at any level, in any unit, in any center, can be seen from the corporate office itself. This includes activities that induce and motivate the sales person. ORGANIZATION STUDY REPORT STAR PVC PIPES & UPDATES THINKING The 2011 star is the dominant player in southern India. Limited branches. The threat of substitute products or services. Same policy followed by Inter-State as well. The ads were made only in print media. The ³ of the companies includes the manufacture ³ PVC accessories and allied products in basic commercial areas clearly defined at home and abroad. Cost control is a task to monitor the cost of marketing ³ and is compared to the planned cost standard, in order to deviations and take corrective action. Marketing Control 1.DEMAND Forecast³ Demand forecasting is the primary function ³ marketing ³ STAR products. It should be done through the sales force in the company, such as sales. sales. Sales executives Âÿ etc. Organization Study Report on Star PVC Pipes & FitTings Internship 2011 CapÃ tulo IV PORTERS Model of Five Forces Ramaiah Institute of Studies of Management33SBS Swiss Business School 34. Ã¯ Âf Negotiation of raw material prices with the supplier. Packing of cement bags, the end user is demanding plastic instead of conventional jute, because it avoids loss and traffic waste. He assumes his wishes. Currently there are no visual media. Some of these functions are communicated to the managing director. Cost of raw material - variable. Marketing objectives: The basic marketing objectives are to satisfy human needs. Organization Study Report on Star PVC Pipes & Fittings Internship 2011 Today Customers have the purchasing power and have the option in the market to choose the product they want. Universal distributors, Masjid Road, Kokkalai, Thrissur. The company has fully computerized departments and units and the corporate office is connected through intranet. He prepares a financial plan. Changing to another product is not expensive. Finance sources: - Star Plastics Find sources of financing through banks and other private financial institutions. Star Implex Industries LLC, Dubai, EAU manufactures the Rigid PVC tubes for plumbing and electrical purposes that â € is a semiautomatic manufacturing unit that manufactures rigid PVC tubes ranging from 20 mm to 200 mm. A-One Polymer Ltd. Ã¯ Âf is given main preference to safety â €. The headquarters of the group is in Kodanad, a picturesque town on the banks of the Periyar River. Now it has been changed to huge Flex Coups. The company has made its presence significantly in the Middle East market having a branch in Dubai. Âf Meetings â ~ sales, conventions and conferences.
